FRONT-END DEVELOPER

Fresh graduate-in-progress, project-driven

PROFILE

Motivated and detail-oriented front-end developer with hands-on project experience building responsive, user-friendly web interfaces. Currently pursuing a BS in Computer Science, seeking an entry-level front-end role to apply and grow technical skills in a professional environment.

PROJECTS

E-Commerce Website

A fully functional online store allowing users to browse and order products, with a responsive UI.

HTML · CSS · Bootstrap · JavaScript · View code ↗

Food Delivery Website

An online food ordering platform enabling users to browse menus and place orders.

HTML · CSS · Bootstrap · JavaScript · View code ↗

News Fetching Webpage

A dynamic webpage that fetches and displays the latest news in real time using a public API.

HTML · CSS · JavaScript · REST API · View code ↗

Agency Website

A business webpage for an agency, allowing potential clients to get in touch and request services.

HTML · CSS · Bootstrap · JavaScript · View code ↗
